

**BIG BEND MODEL RAILROAD ASSOCIATION**  
**Post Office Box 3392**  
**Tallahassee, Florida 32315-3392**

**Who are we?**

The Big Bend Model Railroad Association (BBMRA) was founded for the purpose of promoting all sizes and scales of model railroading and to encourage rail fan experiences. BBMRA accomplishes this purpose through programs and projects that give members enjoyable, entertaining and educational hobby activities and by offering rail fan trip information to see actual railroads in operation and provide a better understanding and appreciation of the development, management and history of railroading.

**For More BBMRA Information:**

Fill out the application form and mail it to the address listed above. If you are joining the BBMRA, your name will be added to the roster; otherwise you will receive more information. Please include the scales you model or are interested in modeling.

For more information check us out on the web or on Facebook:

# About the BBMRA

The Big Bend Model Railroad Association was organized to promote and preserve model railroad activities for the benefit of the general public and the members of the Club and to promote and preserve historical material and information pertaining to railroad transportation. The organization's unofficial motto is: "Run Trains!"

At present, the BBMRA is comprised of three divisions, the HO modeling division, the Small-Scale modeling division and a Large-Scale modeling division.

The HO Scale division operates on dual-track T-Trak modules and supports a "Time Saver" sub-division. The "Time Saver" is 2 by 8 foot switching layout designed for children of all ages (including adults) to operate.

The Small-Scale division supports Z and N Scales. Our N Scale sub-division has a 10 by 27 traveling layout. The division also supports a T-Trak sub-division.

The Large-Scale division supports O and G scales and supports three Sub-divisions: a T-Trak modular layout, a Thomas-the-Tank sub-division and the Tallahassee Live Steamers, a G Scale "Live Steam" modular layout for the steam enthusiast.

Meetings are held on the third Tuesday of each month except for June and December. Clinics and other member-oriented activities are conducted during the meetings. Member swap meets are held semi-annually, and a photo contest is held annually.

During the summer, the Association sponsors the Tallahassee Model Railroad Show & Sale at the North Florida Fairgrounds.

Membership in the Big Bend Model Railroad Association is not a "right," and may be accorded or withheld solely at the discretion of the Association. A serious criminal conviction and/or listing on a database of registered sex offenders are grounds for denial of membership.

Have you been convicted of a serious crime, or listed in a database of registered sex-offenders?
